Dear Sir,

I am writing to formally resign from my position as Junior WordPress Developer at BA3 Digital Marketing, Bangladesh Branch, effective from December 06, 2024.

While I have appreciated the opportunity to work with the team, I regret that my experience here has not met my expectations. Unfortunately, several aspects of the work environment and management practices have led me to conclude that it is in my best interest to move on and pursue other opportunities.

Although I am dissatisfied with certain aspects, I am still grateful for the chance to contribute to the organization and for the relationships I have built during my time here.

Thank you for your understanding, and I wish the company all the best moving forward.

Best Regards,

Muzahid
Junior WordPress Developer
